What is Title I?

East Hall High School is identified as a Title I school as part of Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to challenging State academic standards in order to reinforce and enhance efforts to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with all parents and family members a written parent and family engagement policy.

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how East Hall High School will provide opportunities to improve family engagement to support student learning. East Hall High values the contributions and involvement of parents and family members in order to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that East Hall will support family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

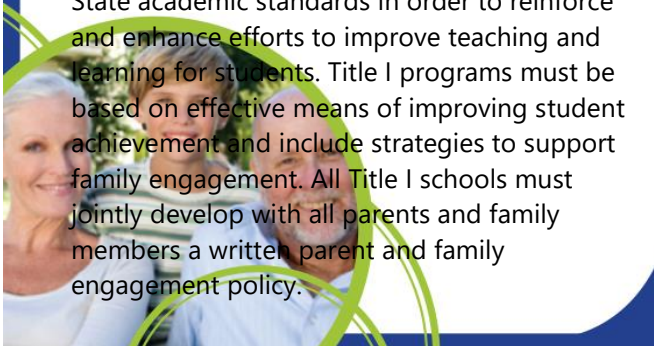

East Hall High School invites all parents to attend an annual parent and family engagement input meeting during the spring to review and revise this parent and family engagement policy, as well as the school/district comprehensive needs assessment, school/district improvement plans, school-parent compact, and the parent and family engagement budget. Additionally, our school welcomes parent input and comments at any time during the school year regarding this plan. All parent feedback received during the school year will be used to revise the plan for the next school year. The plan is posted on our school website for parents to view and post feedback throughout the year. We also distribute an annual survey online and make paper copies available for their suggestions on the plan and the use of funds for family engagement. Parent and family members can also give feedback during several parent meetings and activities during the school year.

Who is it for?

All students participating in the Title I and their families are encouraged and invited to fully participate in the opportunities described in this plan. East Hall High School will provide full opportunity for the participation of parents with limited English, parents with disabilities and parents of migratory children.

Where is it available?

At the beginning of the year, after revision, the plan is posted on the school's website, emailed through Infinite Campus, presented at the Annual Title I meeting, and paper copies are provided in the school's front office.

2021-2022 Hall County District Goals

Goal 1: By the end of FY22, the percentage of students in each subgroup moving into the “Proficient” and “Distinguished” levels of performance on the Georgia Milestones Assessments will increase by 2% in the “Proficient” and “Distinguished” levels of performance.

Goal 2: By the end of FY23 (with FY22 being the baseline year), the percentage of students in each subgroup meeting “Proficient” levels of performance on local assessments (Elementary - MAP/Beacon, Middle/High - Common Benchmark Assessments) will increase by 2%.

Goal 3: Increase the percentage of referred students who access school-based mental health services by 2% each year (with FY21 being the baseline year).

2021-2022 EHHS Goals

By the end of FY23, the percent of students scoring proficient or distinguished on Georgia Milestones EOCs will increase by at least 3 percentage points, and the percent of students demonstrating at or above the midpoint of the Stretch Band Lexile Level will increase at least 3 percentage points.

By the end of FY23, the CCRPI closing the gaps indicator score will increase by at least 5 percentage points, and the Georgia Student Health Survey will reveal at least a 2% increase in positive responses for each indicator.

Resources through the Parent Institute and home communications will provide opportunities to economic disadvantage students that match opportunities provided to students overall.

School-Parent Compacts

As part of this plan, East Hall High School and our families will develop a school-parent compact, which is an agreement that parents, teachers, and students will develop together that explains how parents and teachers will work together to make sure all our students reach grade-level standards. The compacts will be reviewed and updated annually based on feedback from parents, students and teachers. The school-parent compacts are found on the school website. The school-parent compacts are shared through the Annual Title I meeting, Infinite Campus, and posted on the school's website. The school-parent compacts are kept with classroom teachers if parents need another copy.

- that parents play an integral role in assisting their child's learning;
- that parents are encouraged to be actively involved in their child's education at school;
- that parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.

East Hall High is committed to helping our parents and families to attend the parental activities listed in this plan. Please call or email us if you need assistance with childcare or transportation in order to participate in our programs.
